

Master of Yachts Unlimited

UCCV-3

Targetgroup	The Yacht building industry is booming and along with it the demand for qualified personnel also. The International Yacht Training Master of Yachts courses can either be taken as recreational or professional courses. The IYT Master of Yachts Unlimited certificate is a qualification that indicates that the holder has sufficient knowledge of celestial navigation to navigate globally using a sextant and to plan, undertake and manage an Ocean passage together with a comprehensive understanding of the factors involved with regards to routing and meteorology. The course is ideal for those who greatly want to expand their knowledge and experience and increase their confidence in commanding a yacht. STC offers a range of courses from coastal to ocean for recreational and professional candidates.
Prerequisite	The course and exam is according to the IYT standards. Candidates must be able to prove the following requirements: <ol style="list-style-type: none">1. To gain the IYT Master of Yachts Unlimited certificate, candidates must first hold the IYT Master of Yachts Limited certificate;2. The completion of a 600 mile ocean passage out of sight of land where the candidate was acting as skipper or watchkeeper and must have been actively involved in the navigation and passage making decisions of the vessel;3. The submission of a passage plan, sun-run-sun, meridian passage and a compass check using a heavenly body to the examiners at STC.
Modules	The course content covers: The earth and the celestial sphere; ZX triangle; Sextant; Measurement of time; Meridian altitudes; Sun sights; Planet sights; Starsight planning; Starsights; Pole star; Moon sights; Compass checking; Satellite navigation systems; Great circle sailing; Meteorology and Passage planning.
