

Master of Yachts >200T - <3000T

UCCV-4

Targetgroup	The Yacht building industry is booming and along with it the demand for qualified personnel also. The International Yacht Training Master of Yachts courses can either be taken as recreational or professional courses. These courses are designed to provide the highest standard of maritime education for the professional and recreational yachtsman and woman and for those who are serious about obtaining the best nautical qualifications available. To expand the sailing licence for Commercial Yachts >200-<3000 tons STC offers a range of courses for applicants of extended sailing licences.
Prerequisite	Depending on the course it is possible that an applicant must meet certain prerequisites. For information please contact our office by sending E-mail with your questions to Mr. Mol or Mr. van Reem.
